

Students' Choice Award 2023

The winner of the Students' Choice Award 2023 is a raw, tough and unique film. The film contains a lot of intensity and is a very authentic story about issues that are happening right now. Real people are affected by it and you are even doubting if the actors are playing or living real life. The honesty of the harsh reality is touching and shocking at the same time. All three films in the Students' Choice selection highlight the rough reality of marginalized groups. The winner shows different sides of society, like youth unemployment, violence and poverty. The film feels like a documentary. The cinematography of the film complements the story it's trying to convey. The whole story is moving very smoothly and is a beautiful road movie.

The winner is **THE KINGS OF THE WORLD** by Laura Mora Ortega.
